
P1M Increases PPC Conversions 22% using ReMarketing

Proxy1Media launches Google's New ReMarketing Program to help target missed "Pay-Per-Click Conversions" on their content network for a particular Pest Control Client they have in South Florida.

Boca Raton, FL (prHWY.com) December 8, 2010 - **From Proxy1's Major Account Manager**, "Taking Google's New ReMarketing program has enabled us to "Re-Brand / Re-Target Specific Ads" to miss online opportunities.

Our Client is the Largest Tent Fumigation Company in the State of Florida having multiple locations and geo-targeted ads running on Googles Search & Content Network (this is the 1st page of Google and 100's of related/non-related websites) and we need to maximize each PPC impression, message, offer and of course conversion.

With Effectively Run Pay-Per-Click Ads we are able to not only Immediately Brand our Client in Exact areas they prefer to work in, we are running Insect-Specific Ads to help capture the Niche Website Inquires about a particular bug problem, a pest remedy or getting some bed bug problems taken care of immediately.

Please see our Blog or company website for any other updates or examples why we are the number one choice for ANY SEO in Boca Raton. <http://proxy1media-seotipsforbetterranking.blogspot.com/>
