
GotMerchant.com Rated Third in Merchant Account Services

CheapestMerchantAccounts.com announces its top 5 processing companies, with GotMerchant.com coming in third place.

Boston, MA (prHWY.com) July 30, 2012 - GotMerchant.com is a small processing company that operates with lower volume businesses. CheapestMerchantAccounts.com praises GotMerchant.com as one of the most reputable and reliable merchant account providers despite its size.

Overall, GotMerchant.com receives three and a half out of five stars by the editor at CheapestMerchantAccounts.com. This high score continues down the line of categories CheapestMerchantAccounts.com evaluates processors on. The lowest score rang in at two stars in cancellation fees.

According to Gerald Evans, founder of CheapestMerchantAccounts.com, "they had [competitive rates](#), a fantastic track record with current merchants and seem to be a company you should consider looking into."

CheapestMerchantAccounts.com prides itself on investigating processing companies who are recognized by the Better Business Bureau, have well documented success, and provide for the business owners they work with. The inability to process high volumes of merchandise is only problematic for major businesses, making GotMerchant.com a prime option for the new or small business owner.
