## Payday Loan Website Celebrates Its 3rd Year Of Trading

*A payday loan comparison celebrates its third birthday.*

cardiff, United Kingdom ([prHWY.com](http://prHWY.com)) May 17, 2013 - Launched in 2010, the website <http://www.textloanlenders.com/> compares payday loan lenders and text loans lenders and the lenders they list are direct lenders and not brokers.

It is one of the very few websites to only provide a list of the actual lenders as most other similar websites also list the brokers as well.

The website also provides information short loan lending.

Kevin Walker owner of the website said "It's great that we are celebrating our third year of trading, due to the recession the payday loan industry is booming, I would like to thank all of our customers who have used the website over the last 3 years and I would like to also thanks the staff for all their hard work and efforts".

Since launching the website has also raised over £50,000 for local charities and regularly hold charities days in there office the latest one saw 10 members of staff run the London marathon.
