WIZZOO is a small creative digital agency in Bollington, near Macclesfield, first established in 2007.

Our services are designed specifically for the small to medium sized businesses, offering a cost effective 'fully managed' solution to your website and internet marketing requirements. We offer creative website and digital media design, website development, search engine optimisation (SEO), Internet marketing and digital hosting.

We deliver powerful and engaging websites for our clients, to make them stand out from the competition and establish a strong market presence and visibility. We also provide a comprehensive range of Internet marketing services, using proven and measurable tools and strategies. With over 16 years in creating and delivering innovative digital solutions, we help bring businesses to life on the Internet!

Over 75% of our work comes from recommendations through our existing customers, something we are very proud of.
