

Award-Winning Author M.R. Mathias Releases, The Fortune's Fortune - Crimzon and Clover Short Story Series Book Seven

When Clover, the luckiest girl around, loses and finds out they are cheating the customers, she reminds them all of some age old wisdom: Don't mess with a girl with a dragon!

Norman, OK (prHWY.com) October 24, 2014 - The wait is over! Book seven of the number one bestselling short story series about a girl who befriends a dragon, and then goes on to make the world their own, is now available at Amazon. <http://www.amazon.com/Crimzon-Clover-Fortunes-Fortune-Short-ebook/dp/B00O8ZIWCQ>

Stories one through five are available in an omnibus edition, in both paperback, and kindle versions. It is called: "Crimzon and Clover - Collection One (Stories 1-5)" and "Crimzon and Clover VI - One Bad Bitch," released just this summer for kindle.

Here is what people have been saying about the Crimzon and Clover Short Story Series:

5.0 out of 5 stars - In 'Crimzon and Clover,' a young woman and her dragon fight against evil and search to find their place in the world. As they do, they become closer friends where under different circumstances they would be enemies, though there are some harsh challenges before them. I found Clover to be a strong heroine in this man-ruled fantasy world, and her dragon has some handy strengths all his own. When they are together, both of them can accomplish just about anything. - A must-have for fantasy fans June 12, 2013 - By Angel, an Amazon TOP 1000 REVIEWER

4.0 out of 5 stars - A Well Crafted Collection Of Exhilarating Fantasy Tales. This is an amazing compilation of short fantasy stories. If you're already a fan of this author, then you'll be familiar with the characters. If not, you'll be in for an impressive journey of storytelling. These are well crafted thrilling fantasy tales that will not fail to impress.

If you're into dragons, fantasy worlds, magical journeys and action packed adventures, this collection of short stories will not disappoint. I cannot praise this author enough for his creative and productive writing style. - Piaras O Cionnaoith

5.0 out of 5 stars Love these short stories. This is a great introduction to both a couple of characters from the Dragoner series, and to the amazing fantasy world that M.R. Mathias has created. Each story is just the right length for an afternoon read, and perfect for the younger crowd as well. I really loved following the relationship between Clover and her dragon Crimzon as they meet and form a deep connection with each other. After listening to this on Youtube I had to come over and get a copy of the book. If you love dragons and fantasy worlds full of magic and adventure, then you'll love this wildly creative and endearing collection of short stories. - Cat Jones a TOP 500 Amazon REVIEWER

Mathias is also intending to release the sixth book of his Locus Poll nominated YA fantasy series, The Dragoner Saga, before the holidays, and hopefully complete the next, The Legend of Vanx Malic book early next summer.
