
Launching Percy Martinez Law Office

The new launch of a Personal Injury law firm in Miami.

Miami, FL (prHWY.com) January 9, 2017 - Percy Martinez has just launched his new Personal Injury Law Firm. The location is in Miami, Florida. Beautiful location with free parking.

Percy Martinez is an amazing personal injury lawyer. With over 20 years under his belt, he has been practicing law. This shift towards personal injury is due to a joint venture with a few partners. His entrepreneurship has enabled him to seize the opportunity in a market which is very competitive.

"Opening a law firm is not easy" said Percy Martinez. During an interview we asked several important questions about his business. He was more than willing to respond and had an upbeat attitude towards it below is the Q/A we had with him.

Q: Percy what is the one thing you wish to say to young lawyers looking to open their practice

A: Its difficult but persistence is key, saving money and knowing how to pick and choose your cases.

Q: Are there any regrets in opening up a personal injury law firm?

A: No, this has been a fantastic experience. Very challenging which is what I love.

Q: What has helped you the most in your success

A: Its a combination of things, such as working hard, knowing the right people and always delivering great results.

There you have it folks, a one on one with who is considered to be one of the best Personal injury lawyers in Miami.
