

## Global Data Systems Recognized on CRN's 2019 Solution Provider 500 List

*Global Data Systems ranks #422 on 2019 Solution Provider 500 list, curated by CRN.*

Lafayette, LA ([prHWY.com](http://prHWY.com)) June 13, 2019 - Global Data Systems announced today that CRN®, a brand of [The Channel Company](#), has named Global Data Systems to its 2019 Solution Provider 500 list at #422. This annual list ranks the largest North American IT channel partner organizations by revenue. The Solution Provider 500 is the industry standard for recognizing the highest performing technology integrators, strategic service providers and IT consultants. It is the industry's predominant channel partner list, serving as a valuable resource for technology vendors looking to partner with top solution providers.

With over three decades of solution experience, Global Data Systems serves as a Managed Service Provider, delivering Voice & Collaboration, Managed IT, Cloud Services, Connectivity, and Security solutions to medium/large enterprises nationwide.

"It is an honor to have our company once again recognized as one of the top 500 solutions providers in the country. The hard work and dedication of all Global Data Systems team members continues to allow us to participate in these awards." - Chris Vincent, President, Global Data Systems

"The companies on this year's list represent an incredible combined revenue of \$320 billion, a sum that attests to their success in staying ahead of rapidly changing market demands," said Bob Skelley, CEO of The Channel Company. "Congratulations to the solution provider organizations leading the way in digital transformation and the latest technology services."

The complete 2019 Solution Provider 500 list is available online at [www.CRN.com/SP500](http://www.CRN.com/SP500) and a sample from the list will be featured in the June issue of CRN Magazine.
