also stargazer 2 refreshed single is released. all releases are out may 23 2022.

harlequins enigma has not mainly been active since their last album from 2017 in growing young.

old times have seen many coops & compilation albums via their distributors zimbalam, horus music & cdbaby.

tangerine dream, edgar froese, vangelis, klaus schulze, chick corea & sharien have been involved in

harlequins enigma's music from a very early age, since harlequins enigma was founded in 2008 by åge

riisnes & sara jensen. they miss them. the material in the elements series has good variety, & is selected

from their database as worthy tracks. genres in the elements series is varied quality electronica, dance &

newage music. harlequins enigma is certain that visitors may find something in the 9 volumes that suits

them.

zimbalam seize to exist in a few months time. the entire harlequins enigma catalogue from zimbalam is as a

result down permanently. harlequins enigma send greetings to people involved, & wishes family, fans,

friends well. harlequins enigma hope you people out there, young & old, will drop by. harlequins enigma's
